MERRILL MASON,
 ERNEST F. FLINT,
 WALTER E. BUCKMINSTER,
 Selectmen of Marlborough.

The selectmen in behalf of the town have accepted as a gift from the following named persons: Charles A. Whitney, George L. Capron, Kate K. Davis, Harry A. Tenney, Wilmer T. Capron, Sullivan H. McCollester, Fred M. Lamson, Merrill Mason, Henry L. Page, Levi A. Fuller, Robert L. Whitney, Charles W. Whitney, Leonard E. Tilden, Charles F. Webb, Maria A. Pease, Herbert L. Capron, Fred D. Hemenway, Frank E. Ward, Henry L. Wiswall, Forest L. Hart, W. F. Carkin; being residents and former residents of the town of Marlborough, a tract of land described in the conveyance of the same by W. F. Carkin to the town of Marlborough for the purpose of a perpetual picnic ground.

MARLBOROUGH WATER WORKS CORPORATION

In accordance with the By-Laws of the above corporation the annual meeting was held on December 30, 1918, and only routine business was transacted. The executive board feels positive that every voter will agree with them that the past year has been no time for any constructive work. The balance of \$41.25, which was reported last year is held by the treasurer, W. S. Garfield. The board wants to have a partial survey made this coming summer and thereby be able to make a more interesting report at the next town meeting.

ROBERT L. WHITNEY,
President.

Respectfully submitted,

F. D. HEMENWAY,
H. H. CROTEAU,
BENJ. G. HALL,

Trustees.

This is to certify that I have examined the books, vouchers and investments of the trustees of town trust funds and that I find their accounts correctly cast and all payments made and properly vouched for. The trustees have on hand \$224.24 of cemetery fund income unexpended. I have examined all of the investments of the various funds and find that they agree with the above reports.

N. G. HARRINGTON,

Auditor.

STREET LIGHTING COMMITTEE

Your Street Lighting Committee would make the following report for 1918:

We have 70 lights on our streets which have given very satisfactory service, furnished by Keene Gas & Electric Co., for twenty dollars per light, all night service. The company has been very quick to respond to calls for repairs and have treated us very courteously. We have calls for more lights, and need a few more, but do not feel like recommending at this time, leaving it to the town to act.

W. McROY,
E. W. ATWOOD,
C. E. WARD,

Committee.

January 31, 1919.

REPORT OF FIREWARDS

The Firewards of Marlborough beg leave to make following report for the year ending Jan. 31, 1919.

Again fortune favored us another year in regard to fire. Having only one, a store room at Valley Woolen Mills picker house, with small loss. Our fire apparatus is in good condition, only a few minor repairs being made. We still live in hopes to have some day a chemical, whereby we can reach the outside districts quickly. We would accept a donation from any one that had more money than they knew what to do with.

C. E. WARD,

W. McROY,

E. W. ATWOOD,

Firewards.

HEALTH REPORT

Owing to the resignation of D. W. Tenney as Health Officer and his absence from town at the present time, there is no report from the Health Officer. We therefore beg leave to make the following remarks.

The usual normal conditions of the town have existed for most of the time during the year. The necessary work of the health officer was efficiently handled by Mr. Tenney who served the town in this capacity until the late fall or early winter. The work was then taken up by Dr. L. G. Hildreth who served as deputy health officer until his recent appointment by the State Board of Health to fill the vacancy caused by the resignation of Mr. Tenney.

During the siege of the epidemic the situation was most ably handled by our local Dr. L. G. Hildreth, and as a result there were but one or two cases that proved fatal and those more in consequence of other complications than for the disease itself.

Therefore, trusting that we may be as fortunate in the future as in the past, we remain,

Respectfully yours,

The Selectmen of Marlborough.

LIBRARIAN'S REPORT

To the President and Trustees of Frost Free Library, the Librarian presents the following report for the year ending August 31, 1918.

The library has been opened 89 times during the year, the total circulation of books for the year was 5,186, magazines 2,584, both being less than last year, but this is due mostly to the fact that the library was closed from Sept. 8th to the 21st for reorganizing, and from Jan. 5th to April 1st, open only one day a week, on account of the fuel situation, also the great demand for war relief work has made time for reading impossible for many of our patrons.

One hundred and forty-eight new books have been added during the year, of these 49 were the gift of the president, Dr. Lowell C. Frost and his mother; five the gift of Mr. Charles H. Pease; 1 the Woman's National Defence; 3 by the authors of each. Ninety were purchased from the library fund, six of which were to replace books that were worn out. Miss Adria A. Hutchinson of Berlin, N. H., was here for two weeks in September, at which time a new charging system was put in use, which is a great improvement over the one used before. Beside other work done, the covers of all books of fiction, except 243, which were rebound later, were washed and the leaves cleaned. At this time a large number of books, especially children's, in too worn out and soiled a condition to clean and repair were discarded. The stacks were also rearranged and opened to the public, an arrangement much enjoyed by all patrons of the library.

The financial receipts for the year are as follows:

Cash on hand, Aug. 20, 1917,	\$7 03
March 2, sale of magazines,	8 90
Received during the year, for cards and fines,	16 78

Owing to the scarcity of teachers it has been difficult to secure teachers and the salary has been correspondingly high. Most of our teachers have been loyal to the town and state, and have not sought positions elsewhere even with the prospect of increases in salary. But two new teachers were secured at the beginning of the year and one since school began.

The prevailing epidemic has seriously affected the work of the schools this year. Some time has been lost, but nearly all of this can be made up during the year. The attendance has been seriously affected, but we believe it will not be large enough to deprive the town of state aid.

We have been working with the aid of the teachers to install the work as prescribed in the new state program. We have organized the junior high school in part and have extended the work of the senior high school to cover three years. The junior high school is not approved as yet. We need to furnish something for the boys to take the place of the domestic arts now given the girls. We hope that this may be corrected soon and that we may meet the state requirements next year. The work of the three years in the senior high school is approved and the work of last year received commendation from the state department. The curricula include the Latin, Domestic Arts and the General as given in Keene.

The teachers have been aided in their work as in other years. Text books have been secured and adjusted to meet the needs of the pupils and the requirements of the state program. Single copies of supplementary reading have been secured for the school libraries, but many more are needed. The work accomplished by the use of the grade library is very profitable. The pupils are given a broader content and the lower grades are improving in reading facility.

The ending of the war has relieved the schools of a part of the unusual strain, and we hope that conditions will soon become normal. The scarcity of teachers still continues and

the salaries will, without doubt remain high for some time. We are planning no radical changes for next year. We should complete the plans already under way, however, in the next year or two. The room for manual training should be equipped, and the approval of the junior high school secured. The full work of the senior high school can be completed in two years. The present second year class should make the third year a strong one. The present third year is not large and may not necessitate running the fourth year.

The effort to interest the pupils in home gardens under school supervision will be continued this year under the direction of the National Educational Department, and will be called the War Garden Army. I believe that there is an appropriation to aid in providing a suitable supervisor for the summer. The need for habits of economy and thrift still exists. The value of the well planned and supervised home garden has been demonstrated. We need the cooperation of the parents in this matter, and we believe that we shall receive it.

We hope for your continued support in making the schools of Marlborough efficient. The town is large enough to support and worthy of fully developed elementary and secondary school systems. You should fit for college, the normal school, and life. We are looking for greater federal and state aid to equalize educational burdens. We wish to thank the people of Marlborough for their loyal support. The teachers and the school board have worked with the superintendent, and through the cooperation of all we hope for a successful school year.

E. J. BEST,
Superintendent.

REPORT OF THE SCHOOL BOARD

To the Citizens of Marlborough:

The School Board have but little to add to the report of the Superintendent.

Mr. F. D. Hemenway resigned from the Board in November on account of ill health. His resignation was accepted with regret as we felt we had lost a much valued and efficient member.

The work has been carried on without a third member, with the cooperation of the teachers and superintendent.

During the war it has not been considered practical to install a new heating plant at No. 2, although two of the furnaces are in very poor condition, but with some expense can be repaired to last until some action can be taken. It would be well for the citizens to give the matter some thought so that in the near future a new heating plant can be installed.

Some repairs have been made at No. 3 and more will have to be done there. No. 4 was painted inside and out.

We wish to express our appreciation of the efforts of all with whom we have been associated in striving to make our schools the best possible.

Respectfully submitted,

Wm. COUTTS,
RAY E. TARBOX,
Schoolboard of Marlborough.

(TOWN WARRANT)

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Marlborough in the county of Cheshire in said State, qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said Marlborough on Tuesday, the eleventh day of March next, at nine of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.

3. To see if the town will raise a sum of money for state road maintenance or act in any manner in relation thereto.

4. To see if the town will vote to accept State and

Federal Aid on the Trunk Line Road, raise money for the same or act in any manner in relation thereto.

5. To see what sum of money the town will raise for the support of Electric Lights.

6. To see what sum of money the town will raise for Memorial Day.

7. To see what sum of money the town will raise for Old Home Day.

8. To see if the town will vote to grant the use of the Engine Hall to Marlborough Band for rehearsals for the ensuing year or act in any manner in relation thereto.

9. To see if the town will vote to raise the sum of fifty dollars for the Fire Department for repairs or necessary expenses.

10. To see if the town will vote to authorize the Agents to bond the town debt if occasion requires the same, or act in any manner in relation thereto.

11. To see if the town will vote to establish two or more electric lights, one to be located on McKinley Street, raise money for the same or act in any manner in relation thereto.

12. To see if the town will vote to establish a new heat-

ing system for the Town Hall building, raise money for the same or act in any manner in relation thereto.

13. To see if the town will vote to ratify the act of the Selectmen in accepting as a gift the land bought of W. F. Carlin by C. A. Whitney and twenty other residents or former residents, and presented to the town of Marlborough, for the purpose of a Picnic Ground, or act in any manner in relation thereto.
